,As usual, we 've rounded up some interesting videos that are being shared around the web. The, and clearly there 's a lot of interest in that, so first, you can check out the 60 Minutes interview with the biographer first (if you haven 't already)..Steve Jobs biographer goes on 60 Minutes:A balloon-based input device:,The alternative to lethal force:,Check out this crash test:,I won 't even say anything about this. Just watch:,Retro games with modern sound effects:,A LeWeb Preview:,Extreme flashlight:,It 's been four days since the death of former Libyan leader Muammar Gaddafi, and a new video of his capture has hit the internet.It 's the clearest video yet of the moments after Libyan rebels took him under their control, and it shows a bloodied, terrified, but still alive Gaddafi being propped up, dragged around, as well as abused by his captors.On Sunday, reports emerged from Libya that named the cause of death as a gunshot wound to the head, and also confirmed reports that the Colonel had been shots multiple times before eventually succumbing to his wounds. What actually happened in the moments leading up to Gaddafi 's death is still unknown, but it is speculated that he might have been executed by one of his captors. The BBC has video of one of his captors who apparently.The United States has joined other nations calling for a full investigation into his capture and death.In an incredibly odd turn, it was learned that Gaddafi 's body has been turned into an attraction for some in Libya, as it is being in Misrata.The video above is now part of the historical record, and gives an important look into the crucial moments (presumably) right before his death. No matter how you feel about Gaddafi or the actions that led to his demise, one thing is certain: it 's a harrowing portrayal of the realities of war.,,It looks like webmasters recently felt the affects of another Google Panda Update tweak. Since what 's come to be known as version 2.5, Google has beento it, and these tweaks continue to help some sites and hurt others.Search Engine Roundtableto some webmaster discussion, indicating that a tweak may have rolled out on October 20. There are indeed plenty of complaints in a WebmasterWorld thread. Most are calling it a minor update, but even the minor updates can be major for some sites.User Bewenched wrote, for example, " It may have been a ' minor ' update, but it slammed our ecommerce site yet again... down 30% " We 've reached out to Google for confirmation that this was indeed Panda. As you may know, they make hundreds of algorithm changes a year. We 'll update when we receive a response.If you feel like you 've been unjustifiably hit by the Google Panda Update, Google recommends that

you let them know in. For other resources, that may help you, we recently created this of Panda resources (which by the way is still a work in progress. Feel free to share other resources you think would be helpful, and we ' ll consider adding them),, The book, simply titled Steve Jobs, written by Walter Isaacson has been much anticipated for quite some time, and after news came out about the death of Steve Jobs, the release was pushed up. Today is the day. It ' s now available at bookstores, online, in the Kindle Store, the iTunes Store, etc. The bio is based on hundreds of interviews with family members, friends, competitors, colleagues, etc., and over 40 with Jobs himself. " Although Jobs cooperated with this book, he asked for no control over what was written nor even the right to read it before it was published, " the says. " He put nothing off-limits. He encouraged the people he knew to speak honestly. And Jobs speaks candidly, sometimes brutally so, about the people he worked with and competed against. His friends, foes, and colleagues provide an unvarnished view of the passions, perfectionism, obsessions, artistry, devilry, and compulsion for control that shaped his approach to business and the innovative products that resulted. " Speaking of that vocal " brutality, " we looked at some words from Jobs and Bill Gates about one another from the book the other day. Biographer Isaacson is the CEO of, and has been Chairman of CNN, as well as the managing editor of Time Magazine. He ' s also written a bio of Ben Franklin. The book is 656 pages long, so it should be a pretty good read.,, Twitter is a wonderful place for one-liners. To be funny on the site, you ' ve got to be sharp and practice economy of language. You ' ve only got 140 characters to make an impression. And what better way to wind-down the work day than with a selection of some of the day ' s most entertaining tweets. Today, the Twittersverse is " excited " for the big return of the McRib sandwich at McDonalds. We also learn what God really said to himself at the dawn of creation and find out who really deserves the NFL MVP award this year. Enjoy!, Dorn The McRib is back.... I predict I will smell like BBQ sauce and shame later. No eye contact with me today. Thank you. via web & middot; powered by, God At the dawn of Creation I looked real tough at Myself and said " Go ahead. Make a day.
